

# PERFECT PUMPKIN ORNAMENTS

These bewitching beauties make for a perfect party activity. Simply spray paint the ornaments orange before guests arrive, then let the witches and wizards create their own personal pumpkins to take with them as they fly off into the night.

## You Will Need:

### From Savers/Value Village

- Various sizes of smooth-surfaced, round holiday ornaments/balls

### Other supplies

- Orange matte spray paint
- Black permanent markers

### Directions:

- 1) Wipe all ornaments clean and allow them to dry before you begin.
- 2) Spray several light coats of orange spray paint to cover the entire ornament. Allow for drying time between coats.
- 3) Leave plenty of time for ornaments to completely dry before decorating.
- 4) Using black permanent markers, draw jack-o-lantern faces onto the ornaments to your liking.
